Virtual Volunteer Training

Grief Camp for Children & Teens

Comfort Zone Camp, in partnership with The Mark Wandall Foundation, serves children who have experienced the death of a parent, sibling, or primary caregiver. All programs are offered at no cost to families. CZC provides a safe, nurturing environment where kids can have traditional camp fun, while at the same time acquiring tools to help them cope with their loss. Since 1999, CZC has helped 24,000+ children.

Train to Become a Volunteer

During this training you will meet Comfort Zone staff and learn what to expect at camp and how our program impacts grieving children. You will receive education about childhood bereavement, as well as tips on how to be successful in whichever volunteer role you are selected to fill at in-person or virtual camps.
